

What can SHEIR-IP offer your business?

By participating in Knowledge Transfer Partnerships you can:

- Access qualified people to spearhead new projects
- Access experts who can help take your business forward
- Develop innovative solutions to help your business grow
- Develop your business for today's market
- Increase your competitive advantage
- Improve your performance/business operations
- Increase profitability

Business performance outputs vary considerably from case to case, given the **variety and type** of projects. Latest information shows that, on average, the business benefits that can be expected from a single SHEIR-IP project (typical duration 1-3 years) are:

- An increase of over £120,000 in annual profits before tax
- The creation of three genuine new jobs
- An increase in skills of existing staff
